Groom attorneys Kevin Walsh and Kelly Geloneck will join the American Bar Association's Joint Committee on Employee Benefits on Tuesday, October 27 to present, "Key Considerations For Successful Remote Plan Governance." Kevin will be moderating the panel, and Kelly will be serving as a panelist alongside a representative from Portfolio Evaluations, Inc.

Many companies' retirement, executive compensation, and health and welfare plans are operating remotely due to the COVID-19 pandemic. This panel will discuss how plan sponsors and providers can adapt their systems and processes to best accommodate remote work, and what plan governance could look like post-COVID.
