SERVICES

The DC Courts, in partnership with the D.C. Access to Justice Commission and the D.C. Bar Pro Bono Center, have named 8 Groom attorneys to the 2022 Capital Pro Bono Honor Roll. Inclusion in this list is a tremendous honor reserved for attorneys who have contributed 50 or more hours of pro bono work within the year to those without the resources to afford legal counsel. Attorneys who committed 100 or more hours to this work were recognized with “High Honors,” which four Groom attorneys earned.

Groom joins the Chief Judges of the DC Courts in thanking these attorneys for their service and for exuding the firm’s commitment to our community by contributing to equal access to legal services for all and for ensuring that every client receives the same exceptional level of service, care, and attention.
