Groom principals [Katie Bjornstad Amin](#) and [Christy Tinnes](#) will present the webinar, “Employer Health Plans in 2025: Navigating the New Horizon,” with ALI-CLE on May 29, 2025, at 12:00 p.m. ET. Amin and Tinnes will examine key trends affecting employer-sponsored health plans, including GLP-1 drug coverage and weight loss programs, gender affirming care, and fertility and infertility support. The discussion will also offer insights into potential privacy and compliance shifts and a look at what could come next.
