Groom principal [David Kaleda](#) will join the Practising Law Institute for their webinar, “ESG Considerations for Asset Managers – The Emerging Regulatory Framework Applying to Investment Funds and Investment Advisers 2025,” on Monday, February 10, 2025, at 1:00 p.m. ET.

The program will focus on the evolving regulatory framework for asset managers navigating environmental, social, and governance (“ESG”) considerations. Topics will include the regulatory interplay between the Securities and Exchange Commission (“SEC”), European Union (“EU”), and Department of Labor (“DOL”), asset manager disclosure obligations for ESG-themed funds, and practical considerations for designing an ESG program. Speakers will provide insights into the challenges and opportunities asset managers face as they integrate ESG factors into their investment strategies while maintaining compliance with emerging regulations.
