Groom Law Group will be holding a complimentary webinar on **Wednesday, September 30, 2015 from 12:30 – 1:30 p.m. ET.** Join us for a discussion of final regulations on reportable events under section 4043 of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) recently issued by the PBGC. The new regulations are complicated and Plan sponsors will want to ensure they have systems in place to track potential reportable events and the information necessary to determine whether a waiver may be available.

If you are interested in participating in the webinar, please register online using the RSVP link above. If you have questions to submit before the webinar, please include them in the “comments” section on the registration page.
