SERVICES

2024 ushers in the effective date of a number of SECURE and SECURE 2.0 retirement plan provisions – some optional, and some required – and additional provisions will become effective in 2025.

On February 8, 2024 at 2:00 p.m. ET, our attorneys hosted a 30-minute webinar addressing provisions of interest to plan sponsors, with a focus on recent agency guidance, amendment timing, and implementation trends.
