Groom's [comprehensive summary](#) of the provisions in the Securing a Strong Retirement Act (H.R. 2954) was covered by PLANSPONSOR and PLANADVISER in the articles, "[Where Does the Securing a Strong Retirement Act Stand?](#)" and, "[Keeping Up with the Securing a Strong Retirement Act,](#)" respectively. In light of the different versions of retirement reform legislation currently making their way through the House and Senate, both outlets deemed Groom's summary a "...helpful resource that details exactly what provisions are included in the different versions of the bill." Published by Groom on August 1, 2022, the summary includes a concise chart detailing the differences between the current law, the House-passed SECURE 2.0 bill, and the Senate bills (the *Enhancing American Retirement Now Act* (unnumbered, the "EARN Act") and the Retirement Improvement and Savings Enhancement to Supplement Health Improvements for the Nest Egg Act (S. 4353, the "RISE & SHINE Act")).
