New York University (“NYU”) students from its Washington, DC campus took the opportunity to visit Groom’s offices on Friday, December 10, 2021 to gain a better understanding of the legal industry and the various roles within it. Groom principals, [Louis Mazawey](#) and [Michael Kreps](#), and Groom associates, [Arsalan Malik](#) and [David Block](#), facilitated an informative conversation over lunch where they provided a window into their personal career paths, offered new perspectives on the versatility of the practice of law, and shed light on what practicing law in the nation’s capital is like.
