As part of our bi-weekly COVID-19 webinar series, Groom Law Group invites you to join us April 16, 2020 at 2:00 pm ET for our webinar, “COVID-19 – View from Groom on Legislative and Regulatory Activity.” This 30-minute webinar is intended for plan sponsors and health service providers to provide an update on the potential for additional COVID-19 stimulus legislation, new Tri-Agency guidance on Families First and CARES Act health provisions, and new CMS COVID-19 guidance for health care providers.

We intend to cover the following COVID-19 health-related topics:

- COVID-19 4.0 – potential for more stimulus legislation and health provisions under consideration
- Tri-agency guidance on the implementation of the Families First and CARES Act
- CMS guidance on health care provider relief funds
